JUSTIN CURRIE

I'VE been listening non-stop to the extremely impressive new album from Del Amitri, and have come to the conclusion that no record collection is complete without a copy of 'Waking Hours'.

The Glasgow band make a welcome return to the live circuit in Scotland next week, with dates in Edinburgh (17th), Aberdeen (18th), Dundee (20th) and Glasgow on the 22nd, where they'll be showcasing the new material.

Putting my money where my mouth is, I've got FIVE pairs of tickets for the Glasgow Mayfair gig to

give away, plus 10 copies of the LP and FIVE CD's for runners-up.

Prizes go to those who can tell me the title of the band's 1983 debut single.
